Everything for your Home...for Less

Habitat ReStore has new Location with even more Merchandise

By MELISSA WEBB
Correspondent

Before you pay full price for what you need for your next home makeover project, why not swing by Habitat ReStore in Cool Springs to see what you can find for a fraction of the cost? Habitat ReStore has been open in a new location on Bakers Bridge Avenue since May of last year. The new location is more than double the size of the previous one and has a wide variety of new and gently used merchandise, all at bargain prices.

Right now at Habitat ReStore you can find brand new lighting, tub and shower units, cultured marble vanity tops, kitchen cabinet sets and more. Oriental rugs, laminate flooring and furniture are among customer favorites. Even appliances, such as double ovens and convection ovens are among the store's selection.

"We have lots of sources for the merchandise we carry," said Lee Saeger of Habitat ReStore. "We get overstocks from contractors, materials from homeowners who have remodeled and gently used home goods from all over the county. Before we accept any merchandise, we verify that it is in good working condition. Everything here is quality."

Perhaps the best thing about Habitat ReStore, aside from the great deals, is the fact that the store benefits Williamson County's groundbreaking Habitat for Humanity program. Proceeds from ReStore go to help Habitat purchase land, build infrastructure and cover administrative costs. The valuable support from ReStore helps to allow sponsorship money of Habitat homes go directly to building costs.

"We want everyone to know that ReStore is open to the public," said Saeger. "We are not just for contractors. We accept donations as well throughout the year. Donations of items are tax deductible. You will definitely want to come here first; before you pay full price!"

Habitat Restore is located at 7115 Bakers Bridge Avenue in Cool Springs. Hours are Monday through Friday from 8:30 a.m. to 6 p.m. and Saturday from 8:30 a.m. to 4 p.m. For more information, call (615) 690-8094 or visit the Web site: www.HabitatWilliamson.org.
