Heart and Hammer...

In an effort to communicate our mission to community friends, we are issuing this newsletter each month to local churches to provide information on our building, sponsorship and fund-raising activity. We hope to work with you this year!

NEW CAMPAIGN INITIATIVES

“Friends of Habitat”

Today in Williamson County, there are more people than you imagine still living in sub-standard housing.

We want to eliminate that.

We need your help.

Here is an opportunity for you to become a part of the solution.

Habitat For Humanity is looking for people who wish to make a difference right here in their own community. The American Dream is to become a homeowner. Habitat For Humanity of Williamson has been incorporated for eleven years and has been very instrumental in helping this dream become a reality for 54 homeowners in Williamson County. It has been the community support that has made this ministry successful.

To continue to build on our success, we are starting a “Friend of Habitat” campaign to raise funds needed to continue this important ministry.

Friends of Habitat is a program for individuals to commit to making a regular contribution to the work of Habitat For Humanity right here in Williamson County. By making a small regular contribution, you will help us make decent, affordable housing in Williamson County a matter of faith and action.

Williamson County has become an incredibly expensive place to live. In fact, there are individuals who have grown up here who can no longer afford to stay. The high cost of living has made the availability of adequate housing at an affordable price extremely limited. We need your support to help us continue the tremendous success of Habitat of Humanity of Williamson County by partnering with us to assure that more individuals are able to reach the dream of homeownership.

Here's are just a few example of how your monthly contribution

\$10	buys a floor joist
\$20	buys 100 sq. ft. roofing material
\$20	buys a roof truss
\$50	buys an interior door
\$100	buys a window

**ATTENTION
CHURCH ADMINISTRATORS:**

Habitat for Humanity of Williamson County is dedicated to building lives. One way we communicate our vision is through this monthly news letter. We have been very successful in our attempts to make contact with the community through these efforts. However, sometimes correspondence can get lost in the shuffle. We would like to address this issue by asking that church administrators please contact Hfhwc and give the name of the person to whom habitat should address this newsletter and other correspondence. **Please contact Ermon Lature at (615) 591-7077**

Wish List: crew bosses, scaffolding, pick-up trucks, OSB's, palate of 2'x4's, professional roofers, utility trailer.

THANK YOU!!

The board members of hfhwc, Lattimore, Black, Morgan & Cain and all of the willing volunteers. You are greatly appreciated.

THANKS EVERYONE!

**UNITY BUILD HELP
NEEDED!**

Our Unity Build in August is in need of one more church or organization partner in order to split the cost of sponsoring a house. If your church or organization would be interested in teaming up in August to house a needy family, please call 591-7077 or email elature@hfhwc.org.
