HFHWC Receives Award from MidAmerica Region

Habitat for Humanity of Williamson County was recently honored by the Habitat for Humanity MidAmerica region for its work here in Williamson County. The ***Pioneers in Excellence*** award is given each year by Habitat for Humanity International to affiliates who have exhibited excellence in various areas. Each region selects a winner in categories based on population, who then compete for the national awards.

HFHWC was named ***Affiliate of the Year*** for a population of 50,000-250,000 for the MidAmerica Region, and will receive \$2,000 as part of the award.
