

"Your friendly, affordable home improvement store"

RENOVATION STATION LOOKING FOR MARCH 1ST OPENING!

Habitat for Humanity of Williamson County is happy to announce the opening of the Renovation Station, located at 300 Eddy Court, Franklin, TN 37064. The store will offer new and gently used appliances, building materials, cabinets, doors, furniture, garden supplies, hardware, lighting, plumbing supplies, household décor, and much more at discounted prices. The funds generated by Renovation Station will go directly to HFHWC to cover overhead and administrative costs, and allow all donations from the community to build new homes for qualified families in need.

The opening of Renovation Station has been delayed several times, but we believe that we are now on track for a March 1st opening date. Over the past several weeks contractors,

including electricians and plumbers have been working to finish the necessary improvements to the building. And Renovation Station staff and volunteers have been setting up racks and shelving to display merchandise, and have been busy picking up new donations. It's been an exciting time here at Renovation Station!

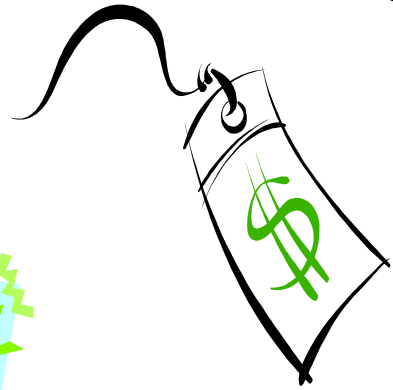

In order to meet our March 1st goal we need your help! We need volunteers immediately to help us set up the remainder of the racking and shelving in the store, and even more importantly to help us move the majority of the merchandise that has already been donated from a storage building to the store.

This is a big job, and we need all the help we can get! This work is being done during the week,

Monday through Friday from 8am to 4pm at our 300 Eddy Court location. In addition, volunteers are needed to fill positions such as: cashiers, customer service reps, help with pick-ups, and receiving and prepping merchandise for sale.

Volunteers are the core of Renovation Station! Without volunteers we just can't do it. We hope you'll join us in this exciting new opportunity!
