*The ABCs of Donations*

**Store volunteer help needed**

The heart of Habitat is our volunteers and you are essential to the success of Renovation Station. We cannot meet the needs of our community without you!

**Volunteer opportunities:**

- Help pick-up donations
- Receive donations
- Clean donations
- Maintain the appearance of the store
- Run the cash register
- Data entry
- Answer the phones
- Set up displays, *and lots more!*

If you have a few hours or a few days you could offer us, we can sure use your help.

If you are out of school and find you have too much time on your hands, give us a call, we may be able to find you something to keep you busy.

*We are fun and friendly, and we promise not to work you too hard!*

**Come check us out!**

May has been a busy month and we have seen some huge bargains come and go.

Several new patio sets have been donated, along with umbrellas. They made someone's patio a great place to enjoy the summer evenings.

If you are in need of office filing cabinets, we have a load of 4-drawer laterals in good condition.

Cabinets are in demand, and so far, we have been able to meet that demand.

We have had sofas coming and going as fast as we can unload and load them. One stands out in my mind as I write this ... a dark green leather sofa. It was in great shape and sold for less than \$200. The family that got it was so excited and couldn't wait to get it home.

When this happens, it reminds me why we are doing what we do — for our community.

Until next month,  
 Bobbi
