

"Your friendly, affordable home improvement store"

RENOVATION STATION NOW OPEN!

Williamson County finally has an affordable home improvement store that carries new and gently used home furnishings and building materials. The store carries appliances, building materials, furniture and home décor at discounted prices. Renovation Station is open to the public. Funds generated by the store go directly to cover HFHWC's operating costs, ensuring that all sponsor, donor and mortgage funds are used to build houses.

Renovation Station's Grand Opening was March 17th and 18th.

Renovation Station merchandise is donated by companies and individuals. The store carries building materials including windows, doors, molding, cabinets, and

flooring, and also has a wide selection of appliances including cook tops, freezers, washing machines, and refrigerators. Renovation Station also carries a wide range of furniture including couches, chairs, dressers, and end tables; and has a variety of lighting fixtures and supplies and a wide range of home décor items and tools. The store also has new mattresses. Our inventory changes daily.

Renovation Station accepts new and gently used items as donations. Please call the store at 591-7077 for details. Once you receive details and approval we encourage you to drop off your small items at the store. Drop-offs may be made during store hours only! We can make arrangements to pick up large items. Please leave a message for Lee Saeger, the store's warehouse operations manager. Lee will return your call and make the

necessary arrangements to pick up the item. Tax certificates are available for all donations.

Renovation Station is located at 300 Eddy Court in Franklin. Store hours are Tuesday through Friday 10am-4pm and Saturday 8am-2pm. Renovation Station is closed Sunday, Monday and most holidays. The store is staffed primarily by volunteers who help clean and display new merchandise, pick-up and receive donations, assist customers, and run the check out register. Please contact Melody Conkin either by phone at 591-7077 or by email at mconkin@habitatwilliamson.org for more information about volunteering.
