Franklin resident to bike across country

Matt Schrimpf of Franklin will spend a good portion of his summer sitting down.

Schrimpf, who is part of the Habitat Bicycle Challenge, is biking from New Haven, Conn. to San Francisco. His journey was scheduled to begin May 27 and finish July 30.

Along the 4,000 mile journey, he and his group will work on several Habitat houses and will stay in host churches along the way.

Schrimpf and the other riders have been challenged to raise \$4,000 each. To learn more, go online at www.habitatbike.org.
