

Habitat for Humanity of Williamson County 2006 Habitee Golf Challenge

Corporate Sponsorship Opportunities

This year's event will take place **Monday, July 24th** at **The Governors Club** in Brentwood, TN. To meet our fundraising goal of \$125,000, companies and individuals can help in the following ways:

Be a Captain or an Individual Player

As a Team Captain, you are charged with recruiting 3 additional players and raising a minimum of \$1250 per player to participate. AS a player, you are simply charged with raising that \$1250 yourself. This is done in many ways. There are some great prizes to be won!

Purchase a *FLAG* for your company

\$1000 gets you on the flagstick. A custom golf flag is produced with your company logo or other artwork and flown on the hole of your choice the day of the tournament. Following the event, it will be framed and presented back to you as a memento of thanks. This makes a beautiful piece to hang in any office.

Purchase a *HOLE SIGN* for your company

\$250 gets you on the course. A custom hole sign is produced with your company logo or other artwork and placed on the hole of your choice the day of the event. After the tournament, it will be displayed at HFHWC's Renovation Station for the public to see your support of our local affiliate.

Other recognition and benefits

EVERY level of participation is recognized on the sponsor board the day of the Challenge, as well as all year long on the HFHWC website, www.habitatwilliamson.org.
