

Governors Club will be site of Habitat golf tournament

Franklin – The 10th annual HabiTee Golf Challenge to raise money for Habitat for Humanity of Williamson County will be held July 24 at the Governor's Club on Concord Road in Brentwood.

Organizers hope to raise enough money to build two houses next year and to help continue the Habitat mission of building homes for people in need.

Instead of paying an entry fee to play, teams of four led by a designated captain secure pledges and donations for Habitat prior to the tournament. Tim Knight, player chairman, is recruiting captains and players for this year's challenge. For more information, contact Knight at 364-1026 or tknight@thinkingahead.com.

"When you look around and realize how blessed we are, it inspires you to reach out to others in the community to help them grow and reach their goals," said Andy Bailey, event chairman. "That's really I became involved with Habitat: to lend a hand to build homes and better lives for my neighbors in Williamson County."

Bailey is seeking corporate and individual sponsorships. There are many sponsorship levels available, including custom flags or hole signs to be displayed the day of the event. For more information, contact Bailey at 567-2224 or andy.bailey@mynationlink.com.
