

Dear Friend,

With Christmas behind us, it's time to look forward to the New Year. It's also a time when many of us make New Year's resolutions. We vow to get in shape. We plan to save up for that dream vacation. For many here in Williamson County, their resolution is to have a safe and stable home to raise their family. That's exactly what Denicia McClain wanted for her family.

Denicia is one of the many faces of Habitat here in Williamson County – hardworking, family-focused, and once unable to afford a decent home on her salary as a supervisor for Molly Maids. Denicia is a single mom to three beautiful children. Her daughter is currently in school to become a nurse. Her oldest son attends Centennial High School and last year was the first freshman to qualify for the state tournament in track. Her youngest son attends Freedom Middle School and loves to read and go to school.

*Homeowner Denicia McClain and her children D'Qwan (12), D'Ondre (16) and D'Ondria (19) will be starting 2012 in their new Habitat home.*

At the beginning of 2010 she met with her supervisor to set goals for the year. Her response was to own her own home and provide her family with a feeling of peace and security. With her supervisor's encouragement, she applied and was approved for the homeownership program at Habitat for Humanity of Williamson County.

Denicia is very grateful to purchase her own home so that her children will always have a place to call home. She describes her new home as a place filled with love, laughter and of course, great food, just like her grandmother's home where they gathered every Sunday after church. Because of the generous support from our local community, Denicia is starting a new chapter in her life.

On behalf of deserving, hardworking people like Denicia, I ask that you make a tax-deductible, end-of-year online gift to Habitat for Humanity of Williamson County. With your support, you are giving the gift of hope to your neighbors here in our community.

Thank you for your support and blessings to your family for a safe and prosperous New Year.

Sincerely,

John Besser  
Executive Director

*P.S. You still have time to make a tax-deductible, [end of year gift](#) today – your support is an investment in Williamson County families and neighborhoods!*
